Carl:

Your report was a convincing reiteration of the issue of the proposed visit. We would note that Hua's 31 August/1 September visit now would not incorporate an MOU, and this in itself speaks in its favour. Taiwanese agency, closely following + helpful We also make note of the potential that a "longer term" MOU would have on cooperation with the well-funded AAC, in areas such as cultural exchange and perhaps aboriginal industry; this obviously could be a benefit of such an exchange.

Despite the concerns on visit management which you identified, PKE would
