

Partner's contributions: Publisher
University --organize student lecture, writing workshop
Publisher -- organize trade event, media
Overall goals and objectives: At present, CanLit has no profile in Taiwan; this would be a first step only in building such recognition
Budget summary: accomodation, transportation, per diem for 5 days

Project Name: Chiayi Installation Art Festival/Tainan Art Festival
Brief description: CTOT would like to have a Canadian participant in one of these two new festivals in southern Taiwan. Both are scheduled for early 2000 and no detailed plan is available for either. CTOT will evaluate which one has greater media impact and for which there more suitable Canadian participant. We lean towards Chiayi Festival at this point as it is one of the few of its kind in the world
Amount requested: 2,000
Partners (proposed or actual): Chiayi Festival or Tainan Festival
Partner's contributions: Organization and publicity for festival and attracts high quality Taiwanese participants.
Overall goals and objectives: Raise profile in southern Taiwan.
Budget summary: International and domestic airfare.
One day's accomodation in Taipei

Project Name: Performers reception
Brief description: Every year a number of well known performers arrive in Taipei without CTOT or other government assistance. CTOT would like to use opportunity to hold reception for visiting performance group. Inviting local media and local arts counterparts
Amount requested 600
Partners (proposed or actual): promoter
Partner's contributions: half of expenses
Overall goals and objectives: media exposure
Budget summary: provide location, decoration, invitations

Project Name: Multimedia lecture
Brief description: invite prominent figure in Canadian multimedia industry to give "big picture" talk on Canadian multimedia industry and multimedia education at Taiwanese multimedia event. Michel Blondeau, VP Development, Digital Renaissance has expressed interest. Alternate candidate would be Ana Serrano, Director of H@bitat.
Amount requested: 1,000
Partners (proposed or actual): unknown
Partner's contributions: organize event, publicity
Overall goals and objectives: raise Canada's high tech profile.
make connections in multimedia industry
Budget summary: Taipei accomodation, meals, transportation, incidentals
