### COMMENTS/COMMENTAIRES: •MMACKAY ACTIVITIES

Attached is the program of events anniversary to celebrate the 125 th anniversary of the arrival on Taiwan of the Canadian missionary, the Reverend George Leslie MacKay. The programme includes a range of activities arranged by the Presbyterian Church and other organizations to commemorate Mackay's involvement in Taiwan. Several individuals are coming from Canada, including the President of the University of Alberta, Dr. Rod Fraser, who will deliver a lecture at the MacKay Hospital on March 8. He will be accompanied by Dr. Larry Wong from his Faculty of Medicine. In addition, Ms. Vera Kirkness, an aboriginal educator and cultural expert will be involved with lectures at the Taiwan Theological Seminary and at Tamsui Oxford University College. Several other visitors currently in town to attend the Commemoration Ceremony at the Mackay Hospital on Sunday, March 9.

We have also attached the names of individuals involved to facilitate follow-up by the media for reports and background on Mackay. Please let the Trade Office know (either Dominc Scott at 547-09462 or Sylvia Yan at 547-9463) if there are any other persons that we should include or other people that might usefully participate in the week's activities. We are looking forward to the coming week of events.
