Hi Mark:
Thank you for your message. Having a renovating in the office is like having a tornado pass by the office.
You survive!!!
Mr. Danny Huang has called to the museum, but I was not in the office. I will call him back in the afternoon.
Let's have a meeting at Wednesday. Either in the morning or in the afternoon is fine with me. Please let me know the time that is convenient for you.

Since rely,
Yi-Ting
