

support. According to his opinion, Mackay is a very good case to get the support but he suggests that proposal should address clearly the following 5 parts: (1) Items to be sent, how many pieces and in what size (2) Weight of the items and the who is the insurance broker and what the policy of the insurance (3) If we ask them to sponsor the tickets, write in detail how many we want, the flight schedule that we plan and from where and to where the people will travel (4) How important of this business can improve the relationship between Canada and Taiwan. (5) What is the benefit that the sponsors can have in this sponsorship. People here all agree that Mackay is a very good case that we should be able to get the sponsorship either from Evergreen or China Airline.

Rev. Michael Stainton and Alvyn Austin, two members of CMC, will be in Taiwan from February 16 to 26. We have arranged him to see Rev. C. K. Kao, the policy advisor for the president Chen Sui-Bien. Hope Rev. Kao who has a good relationship with both previous and current presidents could ask them to help this. I sincerely hope that you will get the sponsors soon.
